

# GP Trainers - Small Group Skills Masterclass

**22 October & 5 November 2021**

**Southern House, Otterbourne**

This two day course is for delegates with some teaching experience and are either about to start or have recently started running small groups (less than 16 in size). This is an intensive and experiential course available to Wessex delegates.

## This course aims to help the participant to:

- Understand the theory of how small groups develop and evolve and experience this in reality
- Create and use role play within a group and facilitate this using everyday experiences as resources
- Understand the theory for giving constructive feedback within a group setting and facilitate others to do the same
- Understand the importance of forming a group successfully using some essential steps
- Begin to recognize and develop strategies for when groups become challenging

**FREE to Wessex delegates**
